2023-2024 TUITION AGREEMENT

The school year tuition is divided into 9 equal monthly payments. The first payment is to be paid in May 2023 for the following May 2024. The next payment is due in September 2023. Each payment thereafter is due the first class day of each month with a ten day grace period. In case of illness or absence, it is the parent's responsibility to ensure that tuition is paid by the due date. A **\$30.00** late fee will be charged for payments received after the 10th of the month unless prior arrangements have been made with the director. A **\$30.00** fee will be charged for an insufficient funds check return from the bank. If at any time you have questions regarding tuition or payments, PLEASE talk to the director.

If tuition payment is delinquent by more than two months, your child may not be admitted into the classroom until the overdue tuition balance, including late charges, is paid in full. Once a child is enrolled, the parents are responsible for maintaining tuition payments.

If you remove your child from the school before the end of the year, your May deposit will not be returned. If you stay until the end of the year, your deposit will be applied to May 2024.

Reminder: The following year deposit (May 2025) will be due in May 2024.
